

HOLY FAMILY CATHOLIC SCHOOL

6th Grade Summer Reading 2025

Required Reading: Football Genius by Tim Green for the boys

and The Light Princess, by George MacDonald for the girls.

Everyone will read_ Hoot by Carl Hiaasen

Once you have read both of the books, select the one book you would like to do a project on. Be prepared to take a test on the book that you did not choose for the project.

Please select a project from one of the three choices below.

Project

Choices

1. Book Advertisement – write, produce, and videotape a commercial about your book that will hook readers. The video should be 3 to 6 minutes long. In the video, you should review the book, explaining its high points, and tell the audience what type of reader might enjoy this book. Also, include the story elements, but don't spoil the ending. You must write up your script to submit with your video.

2. Diorama Scene – design a diorama depicting an important scene or event from your book. Please attach the title and author of the book, somewhere on the outside of the box, and on the back of the box, attach a detailed paragraph telling about your diorama, explaining why this event is important to the story.

3. Quilt Squares– Design three 8x8 quilt squares.

Each square should show an image, character, or idea from the book. You may combine all or some of the concepts in the squares (two characters and an image in one square, or all images in one square). It's your choice. On the back of each square, or on a separate piece of paper, explain your quilt piece. Tell why you chose the colors, images, words, etc for the square and how it fits with the novel.
